### Front Lines By Michael Grant

Perfect for fans of *The Book Thief* and *Code Name Verity*, *New York Times* bestselling author Michael Grant unleashes an epic, genre-bending, and transformative new series that reimagines World War II with girl soldiers fighting on the front lines.

World War II, 1942. A court decision makes women subject to the draft and eligible for service. The unproven American army is going up against the greatest fighting force ever assembled, the armed forces of Nazi Germany.

Three girls sign up to fight. Rio Richlin, Frangie Marr, and Rainy Schulterman are average girls, girls with dreams and aspirations, at the start of their lives, at the start of their loves. Each has her own reasons for volunteering: Rio fights to honor her sister; Frangie needs money for her family; Rainy wants to kill Germans. For the first time they leave behind their homes and families—to go to war.

These three daring young women will play their parts in the war to defeat evil and save the human race. As the fate of the world hangs in the balance, they will discover the roles that define them on the front lines. They will fight the greatest war the world has ever known.

### Editorial Review

#### Review

"What if American women had fought alongside men in World War II? Michael Grant gives us a magnificent alternate history that feels so real and right and true it seems impossible that it wasn't. Every one of these fictional soldiers has wrapped herself around my heart." (Elizabeth Wein, award-winning and New York Times bestselling author of *Code Name Verity*) "Michael Grant is a master of twists that not only tear at his readers' consciences, they hold a mirror up to our here and now and insist we consider what might otherwise be. *Front Lines* is a masterpiece of speculative story crafting." (Andrew Smith, Printz Honor winning author of *Grasshopper Jungle*)

#### From the Back Cover

##### 1942 World War II

The most terrible war in human history. Millions are dead; millions more are still to die. The Nazis rampage across Europe and eye far-off America.

The green, untested American army is going up against the greatest fighting force ever assembled—the armed forces of Nazi Germany.

But something has changed. A court decision makes females subject to the draft and eligible for service. So in this World War II, women and girls fight, too.

As the fate of the world hangs in the balance, three girls sign up to fight. Rio Richlin, Frangie Marr, and Rainy Schulterman are average girls, girls with dreams and aspirations, at the start of their lives, at the start of their loves. Each has her own reasons for volunteering. Not one expects to see actual combat. Not one expects to be on the front lines.

Rio, Frangie, and Rainy will play their parts in the war to defeat evil and save the future of the human race. They will fear and they will rage; they will suffer and they will inflict suffering; they will hate and they will love. They will fight the greatest war the world has ever known.

*New York Times* bestselling author Michael Grant has created a masterful alternate history of World War II in *Front Lines*, the first volume in a groundbreaking series.

### About the Author

**Michael Grant**, author of the Gone series and the Magnificent Twelve series, has spent much of his life on the move. Raised in a military family, he attended ten schools in five states, as well as three in France. Even as an adult he kept moving and became a writer in part because it was one of the few jobs that wouldn't tie him down. His fondest dream is to spend a year circumnavigating the globe and visiting every continent, even Antarctica.

**Erin Mallon** is a television, film, and stage actress. She received a BFA in acting from Adelphi University.

**Therese Plummer** is an actor, award-winning voice-over artist, and counselor. She is a four-time winner of the AudioFile Earphones Award for audio narration. She has appeared in a variety of television and film roles, and, as counselor for adolescents, she spent five years using drama therapy techniques in individual and group settings.
