Eight years ago, Gemma met Colin MacDonald in London. After a week of passion, he left her behind with only a note. She never expected to see him again. But six years later, she arrived in Falcon Point and found her new home. And him. Forced to work under him, she has resolved to remain professional, but to never let him into her heart.

Mac made a name for himself in Falcon Point. As second in command of a large pack, there is almost nothing he can't have. Except for Gemma. Leaving her behind was the biggest mistake of his life, but he doesn't know how to move forward and surmount the beautiful, curvy Gemma's bitterness.

Despite the tension between them, Mac and Gemma must work together to bring down a threat to their pack. In doing so, they face greater danger and the greatest challenge of all...themselves.

This is a sequel to Alpha's Mercy.
