How Do Judges Decide?: The Search for Fairness and Justice in Punishment

How are sentences for federal, state, and local crimes determined?

Is this process fairly and justly applied to all concerned?

How have reforms affected the process over the last 25 years?

Editorial Review

Review

"It is the most comprehensive analysis of sentencing practices in the United States in general, and of how judges decide in particular. It provides ample statistics of the realities of punishment and provides readers with the conclusions from several decades of research investigating judicial discretion." (Richard D. Hartley 2009-08-04)
