## Kama Sutra: An Illustrated Guide to the Erotic Art of Love and Sex: Kama Sutra Sex Positions Pictures By Mallanaga Vatsyayana

The complete Kama Sutra by Mallanaga Vatsyayana (translated by Sir Richard Burton) with fully illustrated Kama Sutra Sex Positions and an introduction from evolutionary sexologist Karen Howie. Written in India (100AD ~ 600AD), the Kama Sutra is ultimately about wisdom and our creative cultivation as a complete individual with healthy, intimate relationships with others. It covers the three aims of life, virtue (dharma), prosperity (artha), and love (kama). The Kama Sutra is a philosophical work that discusses sexuality and its cultivation openly and honestly. It is not significantly influenced by western Christian morals that dominate western attitudes on sex. The Kama Sutra sex positions are the most famous part of the book. This edition is beautifully illustrated with 25 full page pictures of all the Kama Sutra Sex positions (useful, sexually explicit, captivating and erotic). Kama is further defined as; "... the enjoyment of appropriate objects by the five senses of hearing, feeling, seeing, tasting and smelling, assisted by the mind together with the soul. The ingredient in this is a peculiar contact between the organ of sense and its object, and the consciousness of pleasure which arises from that contact is called Kama. ... Kama is to be learnt from the Kama Sutra (aphorisms on love) and from the practice of citizens." (Kamasutra, 1883) The 64 Arts of Kama Sutra are skills that should be cultivated by both men and women to create a beautiful environment. Some arts include singing, playing on musical instruments, dancing, writing, drawing, culinary art, practice with sword, bow and arrow, drawing inferences and reasoning, architecture, art of applying perfumed ointments, dressing hair etc. This is a beautiful book - beautifully illustrated - rich in detail - a must read for any person serious about their sexuality and its creative cultivation to enhance their sexual relationships.
