Playing With Her Heart (Caught Up in Love Book 4) By Lauren Blakely

A sexy, swoony standalone romance from #1 New York Times Bestselling Author Lauren Blakely...

He's sexy, sophisticated, possessive...and my boss.

I'm trying to resist him, I swear. I'm good at resisting, and at playing pretend too.

It's what I do for a living. But as he directs me in my first Broadway play, I'm having a harder time pretending that I don't want him to take me. On the piano.

In the limo. In the dressing room. Anywhere and everywhere.

She captivates me. She's all innocent blond on the outside, but deep down she's wildly sensual. I'm fighting hard to deny this desire for her. But it's a losing battle. She's beautiful, talented, and passionate, and the more closely I work with her on her performance, the deeper I fall for her.

I swear I'm not playing with her heart, and I hope to hell she's not toying with mine. Because I will do whatever it takes for her...

When you're acting the role of a lifetime, how can you know if love is real—or all just a part of the show?

From the Inside Flap

He leans into the car, reaches for the seat belt, and pulls it across my chest, buckling me in. He's inches from me, and he smells cold like the night air. But he also smells the way a man should at the end of the day: a little bit of sweat, a lot of work, and all raw power. He brings one hand behind my head and unclips my hair, letting it fall over his fingers. I tremble from his touch as a shiver runs down my spine. "I like your hair up and I like your hair down," he whispers to me, breaking down all my resistance in an instant.

I can see this playing out if I do nothing--I'll spend it rewinding this moment and putting it on repeat all night long. But I don't want to go home with only a memory to feed my body, and I can't stand the thought of this

night ending too soon.

I make my choice. There's only one choice. "Do you want to share?" I ask, praying he lives in the same direction.
