The healing of emotional trauma can be quite scary and painful. In the past traditional therapy and alternative healing modalities often involved one reliving the unpleasant experience all over again. About the Author

Over the last 25 years, I have been an artist, author, speaker and healer. I have spent this time refining my gifts in Shiatsu massage work, crystal healing and other therapies. My Cherokee heritage led me to being a lifelong student of Native American traditions and the study of the Mayan Calendar. All of these teachings have given me the ability to be open to spirit or “hollow boned”, which means I am a clear and open channel. With the direction of the Archangels and my spirit guides, we have the ability to painlessly clear binding Karmic contracts. This includes clearing lifetimes of Karma, personal pain, and other emotional issues that no longer serve you. I feel honored to be able to share this unique gift with you. When you receive a clearing you are awarded a “Golden Ticket” from the angels. I reside in Colorado with my family. I have worked at the Indian Hot Springs in Idaho Springs, Colorado since 1997.
