Aftermath By Ann McMan

Runner-Up, 2013 Rainbow Award for Lesbian Contemporary General Fiction

Readers everywhere fell in love with Syd, Maddie, David, Michael, Pete, and the irrepressible Roma Jean Freemantle in Ann McMan's 2011 best seller, *Jericho*. Now, return to the tiny mountain town in the much-anticipated sequel, *Aftermath*.

Over the past 18 months, Syd, Maddie, and little Henry have become a family, and things are going surprisingly well for most of Jericho's residents...if you don't count the devastating storm that whips through town. In the weeks and months to come, Syd, Maddie, and all of Jericho are forced to pick up the pieces and rebuild their homes, their lives, and their town. The task is sometimes hard, sometimes emotional, and sometimes absurd, but it is always full of smart and sassy humor and an abundance of good food and wine.

Editorial Review

Users Review

From reader reviews:

Mary Block:

As people who live in the actual modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe may update themselves by looking at books. It is a good choice in your case but the problems coming to you actually is you don't know what kind you should start with. This Aftermath is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Edna Miller:

This Aftermath is great e-book for you because the content which can be full of information for you who all always deal with world and get to make decision every minute. This specific book reveal it information accurately using great organize word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with wonderful delivering sentences. Having Aftermath in your hand like finding the world in your arm, info in it is not ridiculous just one. We can say that no reserve that offer you world within ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt which?

Patsy Kuster:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book ended up being rare? Why so many problem for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but additionally novel and Aftermath or others sources were given know-how for you. After you know how the great a book, you feel need to read more and more. Science reserve was created for teacher or maybe students especially. Those textbooks are helping them to include their knowledge. In additional case, beside science book, any other book likes Aftermath to make your spare time more colorful. Many types of book like this one.

Allison Lyon:

What is your hobby? Have you heard in which question when you got scholars? We believe that that issue was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person such as reading or as looking at become their hobby. You must know that reading is very important as well as book as to be the factor. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You find good news or update with regards to something by book.

Different categories of books that can you choose to use be your object. One of them is Aftermath.
