### Chronicles of Eden - Act V By Alexander Gordon

If you're a fan of epic adventures, horny monstergirls, or harem anime/manga, this is the series for you. Be warned that this story is for mature readers due to explicit content. I.E. "horny monstergirls". The quest to meet and befriend the lustful monsters of Eden continues as Daniel and his girls try to gain another ally for their cause. As they venture further into the world they will come across new faces, new surprises, and plenty of danger, all while Daniel deals with the growing number of women that are in his life. The unique relationships he shares with the girls as well as his feelings towards them are being questioned as Daniel seeks to find the strength to protect them from danger instead of the other way around. Will he find the power to stand and defend all those that he loves, or has his heart become attached to more than he can handle?
