Editorial Review

About the Author

From as far back as she can remember Michelle Conder dreamed of being a writer. She penned the first chapter of a romance novel just out of high school, but it took much study, many (varied) jobs, one ultra-understanding husband and three gorgeous children before she finally sat down to turn that dream into a reality.

Michelle lives in Australia, and when she isn't busy plotting she loves to read, ride horses, travel and practise yoga. Visit Michelle: www.michelleconder.com
