Editorial Review

About the Author

Ken Manning is an entrepreneur and Ph.D. psychologist whose intuitive understanding of the human dimension and gift as a communicator have enabled him to illuminate what is hard to put into words for anyone in today's world of business. Robin Charbit holds a degree in Chemical Engineering and started his career at Exxon rising quickly through the management ranks before he made the switch to consulting. Robin's scientific mind and decades of business experience appeal to the business leader who avoids the touchy-feely but clearly needs help on the people side and likes to get things done. Sandra Krot spent 30 years as a relationship counselor before she discovered a talent for coaching business leaders. Her informed perspective and straight-forward style are valued by her clients because she can deftly and warmly help them get past their egos and find the gold of their own wisdom and strength. Together they are the highly successful consulting firm, Insight Principles, whose clients include many Fortune 50 companies as well as start-ups and individual entrepreneurs.
