## Maggie's Mistake By Carolyn Brown

Maggie vowed to never marry a man who can't laugh or dance, but when she and the dull new doctor in town, Everett Dulanis, wind up spending the night together in an abandoned dugout house, all that changes. Her father is the best man and his shotgun is the bridesmaid at the wedding where a union has been made, but there's certainly no unity.

Everett was engaged to Carolina Prescott, a southern lady in Atlanta, Georgia. But that, too, comes to an end when he awakes with nothing but a blanket around him and the cold barrel of a shotgun pressed against his forehead. Maggie, simple-minded and fun-loving, is as far removed from what he wants and needs in a wife as a hog straight from the wallow. Even though he keeps protesting that nothing happened in that dugout shack, he has no choice but to marry the woman.

Somewhere in the middle of undoing the knot that had been tied by mistake, Maggie and Everett find they've fallen in love and don't want to end their marriage. But will either of them ever admit it?

Maggie Listen wants to marry a man who can dance and laugh. Everett Dulanis plans on marrying a beautiful, refined woman. When Everett offers Maggie a ride home after a barn dance, the two of them wind up innocently spending the night together after a storm overturns their buggy and leaves them stranded. When Maggie and Everett are discovered together the next morning, they're forced into a shotgun wedding. At first Everett intends on immediately dissolving his marriage to a loud, simple country girl, and Maggie is more than willing to go along with the plan because the serious, dull doctor is not her idea of the perfect husband. But a little help from some meddling friends and some time spent in each other's company just might change the way Everett and Maggie feel about their brand-new marriage. Featuring a delightfully feisty heroine, Brown's third gentle historical romance is a sweetly appealing love story. *John Charles*
