Provider-Based Entities: A Guide to Regulatory and Billing Compliance By HCPro a division of BLR, Gina M. Reese Esq. RN

This is a comprehensive guide to compliance with qualifications, operations, and requirements of provider-based clinics and departments. It explains the effect an entity's location and services have on its ability to operate and attest as provider-based, and covers threshold requirements for this unique provider type as well as more stringent requirements for off-campus clinics and departments.

Provider-Based Entities: A Guide to Regulatory and Billing Compliance breaks down complex Medicare coverage requirements, CMS' applicable *Conditions of Participation*, and provides insight about recent coding and billing changes, including the use of modifier -PO. This book also offers practical advice for helping patients understand the relationship between hospitals and provider-based clinics and departments and how this may affect treatment and services.

Table of Contents

- Chapter 1: Billing for Provider-Based Entities: The Big Picture
- Chapter 2: Departments and Entities Not Subject to Provider-Based Requirements
