Review

Joe has done it again! *Psychopharmacology: Straight Talk on Mental Health Medications* has been my go-to desktop references for several years. With clarity and completeness of information, this resource has provided the opportunity to better coordinate with the professionals who manage my patients medications. These resources have helped my patients maintain medication compliance while encouraging personal responsibility for health. The new third edition goes deeper, with an easy-to-use treatment manual, presenting medication as one piece of the mental health puzzle. --**Ronda J. Salge, MA, MSW, LCSW**

Psychopharmacology: Straight Talk on Mental Health Medications always sits on my desk and I refer to it constantly. It is a tremendous opportunity to learn from Wegmann and deliver his expertise to clients who want to make an informed decision about their medications. Joe is utterly impressive in his 'straight talk' of clinical issues -- his book and seminars (and newsletter) are not to be missed!

Christina Sluberski, LPC LCADC CHt

This book should be in the toolbox of every mental health professional! I use *Psychopharmacology: Straight Talk on Mental Health Medications* to educate my clients and this third edition expertly conveys the usefulness of medications in a realistic sense. Joe demystifies psychotropic medications in a language that is teachable and straightforward for both clients and mental health professionals alike.

Lauren C. Ostrowski, MA, LPC, NCC, DCC

Joe's third edition of *Psychopharmacology: Straight Talk on Mental Health Medications* cuts through the fog and hits the mark again! It is easily understood, clinically accurate and is a must have desk reference for clinicians. --**Wallace G. Long III, MSW, LCSW, BCD**

As a mental health clinician and prescriber, I have had the distinct privilege of learning from one of the foremost authorities in the field of psychopharmacology, Joe Wegmann. His clear, practical, and clinically-driven knowledge base has been invaluable in achieving the highest treatment outcomes for my clients. The third edition of *Psychopharmacology: Straight Talk on Mental Health Medications* delivers a comprehensive review on diagnosis, assessment and treatment strategies for the most common mental health syndromes. His unique focus on proper assessment to determine when is best to utilize psychopharmacology versus other forms of treatment has successfully individualized the care I provide. Every practicing mental health clinician should have this outstanding resource in their library. --**Mindy Cohen, MSN, APRN, C., CGP, CARN**
