## **Social Change and Development: Modernization, Dependency and World-System Theories (SAGE Library of Social Research) By Alvin Y. So**

This text is designed to introduce undergraduates to the study of social theory, social change and Third World development. The author compares the strengths and weaknesses of the modernization, the dependency and the world system schools of research which have dominated development studies for four decades. This book is the only study to address the research implication of the three development theories in such a comprehensive fashion.
