**"You Gotta BE the Book": Teaching Engaged and Reflective Reading with Adolescents, Second Edition (Language and Literacy Series (Teachers College Pr)) (Language & Literacy)** By Jeffrey D. Wilhelm

Over a decade ago, Jeffrey Wilhelm's groundbreaking book showed educators how to think of reading as a personally meaningful, pleasurable, and productive pursuit. In the 13 years since its publication, the author has experimented with and further developed all of the techniques he first explored in *You Gotta BE the Book*, including visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. In this expanded edition, Wilhelm adds a new commentary to each chapter in which he reflects on the research and insights he introduced in his now classic text.

This important book remains on the must-read list for literacy teachers working with adolescent learners. Its value is two-fold. --Choice, May 2008

No other book that I have read in the last 10 years has affected my teaching as much as this one. You Gotta BE the Book made me a better teacher. I suspect all of its readers feel much the same way. --From the foreword to the Second Edition, Michael Smith
