### **Editorial Review**

#### **About the Author**

I was nearly a banker in my past life, but my 'Oversoul' totally had something else in store for me. These days I make ends meet by living my joy and following whatever bright idea pops into my head. I prefer to hide in plain sight as it adds a bit of mystery to the 'multi-dimensional' and 'multi-faceted' entity that is 'Le Feebs' and if you've read the book, I'm just a faceless, fun-loving spiritual being exploring our very beautiful third rock from the sun. I'm still getting down to the bare essentials, the real essence of who I am and looking forward to whatever fun challenges lie ahead in the next phase of my life journey and development. Thank you so much for your continued support as it means the entire world to me. If you were to ask about my thoughts concerning the experience so far, I would say: if it's a sure thing why rush? I wish you long life and prosperity in all your endeavours. Enjoy each moment, have fun, be open to love in all shapes and sizes and embody the loving lifestyle you prefer.
