## **Editorial Review**

### **About the Author**

Jane Johnston is a senior lecturer in primary science education at the Nottingham Trent University, where she is involved in primary initial teacher training and in-service science education. Formerly she was a primary classroom practitioner, working with children from 5 to 11 years of age. She has a particular interest in the development of scientific attitudes and their effect on the development of scientific skills and concepts.

## **Users Review**

### **From reader reviews:**
