Megan's ready to give birth, but she's not ready to let her mate leave her side. When Cashol must go hunting to feed the tribe, they're separated for the first time since resonance. Not a problem, except the baby's ready to be born and there's a storm brewing...??

This is a short story set in the ICE PLANET BARBARIANS world. It does not stand alone, and is intended to be read after BARBARIAN'S MATE. It's a little bit of sweetness for those that can't get enough of the big blue aliens! Happy reading!
