Mario Botta: Monografia, Il territorio della memoria (ARChEBOOK) (Italian Edition) By Alessandra Coppa

La rilettura di molte delle opere di architettura di Mario Botta attraverso il filtro da lui stesso individuato dal titolo suggestivo “Il territorio della memoria” permette una profonda riflessione del significato dell’architettura contemporanea in rapporto al Luogo, all'Identità, al Progetto e alla Storia.

I termini Territorio e Memoria riconducono alla relazione tra Spazio e Tempo, ma anche a Contesto e Passato, a Natura e Cultura, in un profondo scambio analogico che permette di riportare il progetto di architettura a valori archetipici e profondamente legati all'uomo.
