**Sinner (Wayfarer Redemption, Book 4) By Sara Douglass**

**Sinner is the fourth book in Sara Douglass's The Wayfarer Redemption series, however it starts a brand new story arc and is the perfect place for new readers to enter this epic fantasy series.**

The land Tencendor has been united for more than forty years. The Starman Axis defeated the dreaded monster Gorgrael and by fulfilling his destiny he has brought peace finally to the three races of this land: the Icarri bird people, the Avar tree people, and the humans who for generations controlled (and oppressed) the other two races. Attaining god-like powers, Axis chose to retire to the ethereal sphere in the heavens with his beautiful consort Azhure and ceded his authority to his son Caelum SunSoar. As Supreme Ruler of Tencendor, Caelum holds the reins of power carefully and the thousands of years of ill-will between the three races seems to be at an end. All seems golden for this land. Or so it might seem.

But the path of the son is not necessarily that of the father. Caelum is untried and has known nothing but peace during his lifetime. And while the three races appear at peace, there are undercurrents of jealousy and bitter memories just buried beneath the surface.

So when strange powers threaten to come through the Star Gate (a source of power that gives those with magic their near immortality) bent on the destruction of all he holds dear, Caelum will have to find the strength to fight this threat.

Complicating this situation is the almost impossible death of his Icarri sister...and the culprit appears to be none other than his hated brother Drago, who as a baby had been in league with Gorgrael and had sufficient power to try to kill Caelum. As punishment Drago was made mortal (unlike his near invulnerable siblings). As Caelum struggles to hold all he holds dear safe, he is left with this quandary:

Is Drago as powerless as he seems? Is his hate for his fate enough to have him murder?

And is he in league with the demons that hover ever nearer?

### Editorial Review

#### From Publishers Weekly

In Australian author Douglass's solid fourth installment in her Wayfarer Redemption series (after 2002's *Starman*), control of the land of Tencendor has passed from Axis SunStar to his son, StarSon Caelum SunSoar. A benevolent ruler, Caelum faces his first great challenge when Zared, Prince of the North, plots treason against him. Surprised by Zared's betrayal, Caelum doesn't take the threat seriously until disaster strikes. Meanwhile, Caelum's unpopular brother, Drago, who has already tried to kill Caelum, stands accused of murdering his twin sister, RiverStar. Drago flees for his life, taking with him the Rainbow Scepter with which Axis destroyed the monster Gorgrael in *Starman*. Caelum must save Tencendor from a multitude of dangers, any one of which is likely to tear the country to pieces. While Douglass smoothly fills in some backstory about the SunSoar dynasty, even those who've read the three earlier volumes will welcome the extensive glossary. The bouts of narcissism that some characters suffer tend to slow the plot, but fans of this ambitious epic fantasy should be eager to find out what happens in book five after the muted cliffhanger of an ending.

#### From *Booklist*

At the end of the first three volumes of the Wayfarer Redemption, the Starman, Axis SunSoar, defeated the evil Gorgrael and brought peace to the humans, Icarii bird people, and the Avar of the trees of the world of Tencendor. Eventually, Axis and his consort retired to the celestial sphere, leaving the kingdom to their son Caelum. Now, after a generation or so of peace, envy and bitter memories are resurfacing. Many humans feel dispossessed because there is no longer a human king, but the other two peoples, long oppressed by humans, don't want one. The ancient enchanter WolfStar, formerly a dubious supporter of the Starman, returns, again weaving webs of intrigue. In the middle of things is Axis' son Drago, who, deprived of immortality when he attempted murder as an infant, has aged while his siblings have not. Douglass' return to a well-established world features strong characters and, set as it is in the aftermath of a hero-king's departure, an interesting milieu. Readers of *Sinner*'s predecessors--and not only they--won't be disappointed. *Frieda Murray*

#### Review

“Storytelling at its best, with fast-paced action, gritty realism, powerful characters, magic and romance.”

*Romantic Times* on *The Wayfarer Redemption*

“Epic storytelling on a par with Terry Goodkind and Robert Jordan.” *Library Journal* on *The Wayfarer Redemption*

“With three races, licit and illicit loves, prophecy, fraternal hatred, and enough battles for several campaigns, Douglass has whipped up enough raw material to avoid shortchanging readers throughout her vast undertaking.” *Booklist* on *Enchanter*

“Sara Douglass is a powerful voice in high fantasy that readers can equate to the likes of Robert Jordan, Marion Zimmer Bradley and Anne McCaffrey.” *Romantic Times*, 4 ½ stars on *Enchanter*

“A superior adventure fantasy right to the last.” *Booklist* on *Starman*

“Should satisfy a fantasy readership hungry for strong female characters.” *Publishers Weekly* on *Starman*

“Exciting writing with emotional highs and lows! Ms. Douglass has created a mystical world populated with many vividly portrayed races.” *Romantic Times, 4 ½ stars on Starman*

## Users Review

### From reader reviews:

#### Gayle Collins:

The book Sinner (Wayfarer Redemption, Book 4) give you a sense of feeling enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can to get your best friend when you getting strain or having big problem together with your subject.
