Split Second By Douglas E. Richards

A stunningly unique take on time travel. From the NY Times bestselling author whose books have been downloaded over a million times.

One of the top 100 books in the Kindle store for more than five months.

What if you found a way to send something back in time? But not weeks, days, or even minutes back. What if you could only send something back a fraction of a second? Would this be of any use? You wouldn't have nearly enough time to right a wrong, change an event, or win a lottery.

Nathan Wexler is a brilliant physicist who thinks he's found a way to send matter a split second back into the past. But before he can even confirm his findings, he and his wife-to-be, Jenna Morrison, find themselves in a battle for their very lives. Because while time travel to an instant earlier seems useless, Jenna comes to learn that no capability in history has ever been more profound or far-reaching.

Now, as Jenna fights to defeat the powerful forces arrayed against her, nothing less than the fate of humanity hangs in the balance. . .

SPLIT SECOND is a roller-coaster ride of a thriller, one that will have readers pondering the nature of time, and of reality, long after they've read the last page.

"Richards is a worthy successor to Michael Crichton." (SF Book.com)

"Richards is a tremendous new talent" (Stephen Coonts) who can "keep you turning the pages all night long" (Douglas Preston)

Near Future Science Fiction Thrillers by Douglas E. Richards

Editorial Review

About the Author

Douglas E. Richards is the New York Times and USA Today bestselling author of WIRED and numerous other novels (see list below). A former biotech executive, Richards earned a BS in microbiology from the Ohio State University, a master's degree in genetic engineering from the University of Wisconsin (where he engineered mutant viruses now named after him), and an MBA from the University of Chicago.

In recognition of his work, Richards was selected to be a "special guest" at San Diego Comic-Con International, along with such icons as Stan Lee and Ray Bradbury. His essays have been featured in National Geographic, the BBC, the Australian Broadcasting Corporation, Earth & Sky, Today's Parent, and many others.

The author currently lives in San Diego, California, with his wife, two children, and two dogs.

You can friend Richards on Facebook at Douglas E. Richards Author, visit his website at douglaserichards.com, and write to him at doug@san.rr.com

Users Review

From reader reviews:

Gregory Jones:

Here thing why this particular Split Second are different and trustworthy to be yours. First of all examining a book is good however it depends in the content than it which is the content is as delicious as food or not. Split Second giving you information deeper including different ways, you can find any reserve out there but there is no reserve that similar with Split Second. It gives you thrill studying journey, its open up your own personal eyes about the thing in which happened in the world which is perhaps can be happened around you. You can bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the published book maybe the form of Split Second in e-book can be your option.

Shawn McDonald:

The e-book untitled Split Second is the book that recommended to you to study. You can see the quality of the book content that will be shown to you. The language that creator use to explained their way of doing something is easily to understand. The copy writer was did a lot of research when write the book, to ensure the information that they share to you is absolutely accurate. You also could possibly get the e-book of Split Second from the publisher to make you much more enjoy free time.

Robert Thomas:

In this time globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher this print many kinds of book. The book that recommended for you is Split Second this guide consist a lot of the information with the condition of this world now. This specific book was represented how do the world has grown up. The language styles that writer use for explain it is easy to understand. The actual writer made some investigation when he makes this book. This is why this book acceptable all of you.

Carolyn Ziolkowski:

Many people said that they feel uninterested when they reading a guide. They are directly felt that when they get a half portions of the book. You can choose the actual book Split Second to make your personal reading is interesting. Your personal skill of reading expertise is developing when you similar to reading. Try to choose easy book to make you enjoy you just read it and mingle the sensation about book and examining especially. It is to be initial opinion for you to like to open a book and read it. Beside that the guide Split Second can to be your brand new friend when you're feel alone and confuse in doing what must you're doing of that time.
