## The Complete Pre-Dental Guide to Modern Dentistry By John Syrbu

*The Complete Pre-Dental Guide to Modern Dentistry* is the ultimate student source for information on the study and practice of dentistry. While other books focus on getting into dental school, this book gives you a head start in dental school, touching on virtually every dental subject covered during the first two years of most dental programs. Introductory chapters review career aspects and opportunities in dentistry as well as basic dental anatomy and terminology. Subsequent chapters use this introductory information to expand on various branches of dentistry and procedures performed by general dentists and dental specialists.
