### **About the Author**

Mistress Ivey (Georgia Ivey Green), has lived as a female dominant since 2006. Before that she was a submissive to her current husband (and number one fan) where she learned what it means to be a dominant. She has been helping others to understand what a female led relationship (FLR) can be and how to make their relationships better since 2010. Mistress Ivey has tried to educate people, and to dispel the stereo types that are normally associated with female led relationships that the Internet has, for so long, projected. She wants people to understand that a female can be in charge of a successful relationship without having to “dress” the part or be cruel. That is why she started writing her blog “Becoming A Mistress” back in October 2010. Now she is passing her knowledge on to you, the reader, in hopes that you, too, can improve your life and your relationship. She now teaches classes at ConquerHim.com as well.
