Transient By Emily Brown

This is a collection of prose designed to heal; created as an outlet and evolved into stories that require you to look deep beneath the surface of your emotions. This book is meant to fill emotional voids, close chapters and doors that couldn't quite do it alone, to inspire courage or serve as a reminder of companionship, to tell stories everyone will relate to or no one will and serve only for enjoyment, to repair the heart, mind and soul from life's wrath. This book is a reminder that time will craft you to be strong, even if you can't yet see it. This is a book meant for you.

Editorial Review

About the Author

Writing about herself has always been a hard concept, so instead, she's letting other people close to her take their hand at it. Emily Brown started out writing to find somewhere safe, to escape the real world. From a very early age, it was one of her biggest passions, from little poems to stories that equated to something like novels, she wrote to help free her body from a heart that certainly didn't fit in there. Slowly her writing evolved to be about her life told through other's stories. Going through hell and back is no easy task, and she took it upon herself to share the strength and wisdom she gained along the way with those who needed it most. She takes the broken pieces and makes them whole in someone else's story. Her stories are a reflection of the beauty, tragedy, fragility, and magic that life can hold.

Users Review

From reader reviews:

Eva Stanfield:

Book is usually written, printed, or descriptive for everything. You can recognize everything you want by a guide. Book has a different type. We all know that that book is important factor to bring us around the world. Close to that you can your reading expertise was fluently. A guide Transient will make you to become smarter. You can feel more confidence if you can know about almost everything. But some of you think that open or reading some sort of book make you bored. It's not make you fun. Why they might be thought like that? Have you in search of best book or appropriate book with you?

Lorenzo McAvoy:

Now a day people who Living in the era just where everything reachable by connect to the internet and the resources included can be true or not require people to be aware of each info they get. How people have to be smart in getting any information nowadays? Of course the answer then is reading a book. Reading through a book can help persons out of this uncertainty Information mainly this Transient book as this book offers you rich info and knowledge. Of course the details in this book hundred pct guarantees there is no doubt in it everybody knows.

Michelle Shaw:

Spent a free time to be fun activity to perform! A lot of people spent their free time with their family, or their friends. Usually they undertaking activity like watching television, about to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Could possibly be reading a book could be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the e-book untitled Transient can be good book to read. May be it could be best activity to you.

Raymond Jackson:

You can spend your free time to study this book this reserve. This Transient is simple to deliver you can read it in the park your car, in the beach, train along with soon. If you did not have got much space to bring often the printed book, you can buy the particular e-book. It is make you much easier to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.
