Editorial Review

About the Author

Barbara Acello has worked in long-term care for more than four decades. Currently a nurse consultant and educator, she owns a school for nursing assistants, where she helped to write and develop mandatory state curricula for nurse aides and EMTs. She has also written and contributed to dozens of textbooks, instructor guides, quick reference guides, and supplemental instructional materials for health care personnel. Formerly a practicing nurse, Ms. Acello was also a director of nursing and a long-term care facility consultant. Her interests and expertise include clinical geriatrics, resident safety, pain assessment and management, restraints, pressure ulcers, and infection control. She is particularly committed to improving working conditions, education, and professionalism for personnel in the long-term care industry.

Users Review

The printed and e-book are not different in the written content but it just different by means of it. So , do you nonetheless thinking Workbook to Accompany Nursing Assistant: A Nursing Process Approach is not loveable to be your top record reading book?

Evan Reyes:

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or to

make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Workbook to Accompany Nursing Assistant: A Nursing Process Approach can make you feel more interested to read.

Glenn Connely:

What is your hobby? Have you heard that question when you got pupils? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. So you know that little person including reading or as studying become their hobby. You have to know that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your current teacher or lecturer. You get good news or update in relation to something by book. Numerous books that can you go onto be your object. One of them is this Workbook to Accompany Nursing Assistant: A Nursing Process Approach.
