**Childhood's End** By Arthur C. Clarke

**Soon to be a Syfy miniseries event**

*Childhood's End* is one of the defining legacies of Arthur C. Clarke, the author of *2001: A Space Odyssey* and many other groundbreaking works. Since its publication in 1953, this prescient novel about first contact gone wrong has come to be regarded not only as a science fiction classic but as a literary thriller of the highest order.

Spaceships have suddenly appeared in the skies above every city on the planet. Inside is an intellectually, technologically, and militarily superior alien race known as the Overlords. At first, their demands seem benevolent: unify Earth, eliminate poverty, end war. But at what cost? To those who resist, it's clear that the Overlords have an agenda of their own. Has their arrival marked the end of humankind . . . or the beginning?

**Praise for *Childhood's End***

"A first-rate tour de force."—*The New York Times*

"Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master."—*Los Angeles Times*

"There has been nothing like it for years; partly for the actual invention, but partly because here we meet a modern author who understands that there may be things that have a higher claim on humanity than its own 'survival.'"—**C. S. Lewis**

"As a science fiction writer, Clarke has all the essentials."—**Jeremy Bernstein, *The New Yorker***

## Editorial Review

Review

“A first-rate tour de force.”—*The New York Times*

“Frighteningly logical, believable, and grimly prophetic . . . [Arthur C.] Clarke is a master.”—*Los Angeles Times*

“There has been nothing like it for years; partly for the actual invention, but partly because here we meet a modern author who understands that there may be things that have a higher claim on humanity than its own ‘survival.’ ”—**C. S. Lewis**

“As a science fiction writer, Clarke has all the essentials.”—**Jeremy Bernstein, *The New Yorker***

From the Publisher

CHILDHOOD'S END and 3001: FINAL ODYSSEY

A couple of years ago, at the national television syndication convention, I was chatting with Stan Lee (of Marvel Comics). He was asking me what was up at Del Rey, and I mentioned 3001: FINAL ODYSSEY, as well as the new mass market edition we'd just done of CHILDHOOD'S END. Stan stated enthusiastically that, if there was one thing he most wanted to do in this world, it was make a movie of CHILDHOOD'S END, one of his favorite novels. He apparently loves Clarke's work.

So when I got back to the office, I dropped a copy of the two books into the mail. About a week later I was listening to my lunchtime voice mail messages, and there were Stan's unmistakeable tones, sincerely thanking me for the books. This guy deals with the James Cameron's of the world, yet a gift of Arthur C. Clarke causes him to make the time to express his gratitude.

--Steve Saffel, Senior Editor

From the Inside Flap

Without warning, giant silver ships from deep space appear in the skies above every major city on Earth. Manned by the Overlords, in fifty years, they eliminate ignorance, disease, and poverty. Then this golden age ends--and then the age of Mankind begins....

*From the Paperback edition.*

## Users Review

**From reader reviews:**

**Wanda Legros:**

Do you have favorite book? When you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that publication has different type. Some people feel enjoy to spend their time to read a book. They are really reading whatever they get because their hobby will be reading a book. How about the person who don't like reading through a book? Sometime, man feel need book once they found difficult problem as well as

exercise. Well, probably you'll have this Childhood's End.
