El Arte del Parking (Spanish Edition) By Jordi Nadal

El Arte del Parking es un manual básico. No se trata de un compendio de normativas específicas, ni de una relación de tecnicismos de difícil entendimiento. Por el contrario, pretende ser un libro de consulta, de fácil lectura y comprensión, para cualquier persona carente de grandes conocimientos técnicos. Su contenido está destinado a los técnicos proyectistas, a los constructores y a los promotores, especialmente a los de la Administración Pública. Se divide en cuatro capítulos: estudio de los factores de cuándo, cómo y dónde se debe construir un aparcamiento; definición de los parámetros más elementales sobre el diseño, costes y superficies; análisis de todos los elementos que intervienen en su construcción y finalmente, estudio de las distintas formas de gestión y transmisión de los aparcamientos construidos por la administración. Esperamos que pueda ser de utilidad para todos aquellos que intervienen en la ejecución de un aparcamiento.

Editorial Review

Users Review

From reader reviews:

Ethel Fung:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make these people survive, being in the middle of often the crowded place and notice simply by surrounding. One thing that often many people have underestimated the item for a while is reading. Yes, by reading a book your ability to survive increases then having a chance to stand that other is high. For yourself who want to start reading some sort of book, we give you this specific El Arte del Parking (Spanish Edition) book as a beginner and daily reading guide. Why, because this book is more than just a book.

James Horowitz:

Information is a provision for those to get a better life, information nowadays can get by anyone from everywhere. The information can be a piece of information or any news even a problem. What people must be consider if those information which is inside the former life are challenging be find than now's taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take El Arte del Parking (Spanish Edition) as your daily resource information.

Dominique Rigney:

People live in this new day time of lifestyle always try and must have the extra time or they will get a lot of stress from both way of life and work. So, if we ask do people have spare time, we will say absolutely of course. People is human not just a robot. Then we inquire again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, the actual book you have read will be El Arte del Parking (Spanish Edition).

Jeffrey Yanez:

In this period of time globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The book that recommended to you is El Arte del Parking (Spanish Edition) this reserve consist a lot of the information in the condition of

this world now. That book was represented just how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The particular writer made some study when he makes this book. Here is why this book suited all of you.
