### **Forgotten Secrets By Robin Perini**

At age ten, Riley Lambert watched helplessly as her sister was abducted from her bedroom. Fifteen years later, she's channeled the pain of her past into a career as an FBI profiler. Riley devotes her life to bringing violent criminals to justice...and secretly uses government resources to search for her sister, who was never found.

When Riley gets a call from the only man who's ever swept her off her feet with a killer two-step and dangerous smile—ex-Navy SEAL Thayne Blackwood of Singing River, Wyoming—it stirs up dark memories. Thayne's sister, Cheyenne, has been kidnapped. There are no leads, and the only witness is the victim's Alzheimer's-afflicted grandmother.

Desperate to find Cheyenne, Thayne needs Riley's expertise. With time running short, they delve into dangerous small-town secrets while fighting against an increasingly ruthless adversary. But when her past and his present collide in a shocking revelation, can they overcome the secrets that have kept them apart?

### Editorial Review

#### Review

“As always, Robin Perini never disappoints when it comes to romantic suspense. Her latest book, *Forgotten Secrets*, takes the reader through a web of secrets about missing children, broken families, and a grandmother with Alzheimer’s witness to her own granddaughter’s abduction with no way to tell what she saw. Throw in an FBI agent and an ex-Navy Seal with a little history of their own, unaware they are on diverging paths to solving mysteries old and new, and you have a superb tale unfolding before your eyes.” —**Sharon Sala**, *New York Times* bestselling author of *Family Sins*

“So much more than the mystery of solving a kidnapping. It is the story of family love, healing, and compassion. I highly recommend this book for any book lover. It is definitely a must-have for my book collection.” —**Jane Krabbeler**, *Long Island Dreams Book Reviews*

“I enjoyed this book from start to finish. It was full of action and had a very intriguing plot that kept me guessing throughout the book...The perfect recipe for a romantic suspense book.” —**Sarah’s Cozy Book Nook, 5 Stars**

“Romantic suspense favorite Robin Perini blends mystery, drama, thriller, and love story into *Forgotten Secrets*, an intense, sophisticated novel crafted with an extra portion of poignant...A breathtaking read.” —**Kathy Altman**, *USA Today’s Happy Ever After*

#### From the Author

*Forgotten Secrets* was a labor of love for me because my mother is in the final stages of Alzheimer's. In honor of my mother, **I am donating 10% of my royalties received to the Alzheimer's Association**. If you or a loved one is suffering with Alzheimer's or another dementia, please remember that you are not alone!

#### About the Author

Internationally bestselling and award-winning author Robin Perini is devoted to giving her readers fast-paced, high-stakes adventures with a love story sure to melt their hearts. A RITA Award finalist, she sold fourteen titles to publishers in less than two years after winning the prestigious Romance Writers of America Golden Heart Award in 2011. An analyst for an advanced technology corporation, she is also a nationally acclaimed writing instructor and enjoys competitive small-bore rifle silhouette shooting. Robin makes her home in the American Southwest and loves to hear from readers. Visit her website at [www.robinperini.com](http://www.robinperini.com).

### Users Review

#### From reader reviews:

**Matthew Segal:**

What do you in relation to book? It is not important to you? Or just adding material if you want something to explain what yours problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Every person has many questions above. The doctor has to answer that question simply because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need that Forgotten Secrets to read.

**Mary Thomas:**

Information is provisions for anyone to get better life, information nowadays can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is inside former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Forgotten Secrets as the daily resource information.

**Michael Gage:**

Playing with family in a park, coming to see the marine world or hanging out with good friends is thing that usually you will have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Forgotten Secrets, you may enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout folks. What? Still don't obtain it, oh come on its named reading friends.

**Virginia Laird:**

As we know that book is very important thing to add our information for everything. By a e-book we can know everything we really wish for. A book is a group of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This e-book Forgotten Secrets was filled about science. Spend your free time to add your knowledge about your science competence. Some people has diverse feel when they reading the book. If you know how big benefit of a book, you can experience enjoy to read a e-book. In the modern era like at this point, many ways to get book that you wanted.
