Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust By Kevin E. Simpson

In the heart of the twentieth century, the game of soccer was becoming firmly established as the sport of the masses across Europe, even as war was engulfing the continent. Intimately woven into the war was the genocide perpetrated by Nazi Germany and its collaborators, genocide on a scale never seen before. For those victims ensnared by the Nazi regime, soccer became a means of survival and a source of inspiration even when surrounded by profound suffering and death.

In *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust*, Kevin E. Simpson reveals the surprisingly powerful role soccer played during World War II. From the earliest days of the Nazi dictatorship, as concentration camps were built to hold so-called enemies, captives competed behind the walls and fences of the Nazi terror state. Simpson uncovers this little-known piece of history, rescuing from obscurity many poignant survivor testimonies, old accounts of wartime players, and the diaries of survivors and perpetrators. In victim accounts and rare photographs—many published for the first time in this book—hidden stories of soccer in almost every Nazi concentration camp appear. To these prisoners, soccer was a glimmer of joy amid unrelenting hunger and torture, a show of resistance against the most heinous regime the world had ever seen.

With the increasing loss of firsthand memories of these events, *Soccer under the Swastika* reminds us of the importance in telling these compelling stories. And as modern day soccer struggles to combat racism in the terraces around the world, the endurance of the human spirit embodied through these personal accounts offers insight and inspiration for those committed to breaking down prejudices in the sport today. Thoughtfully written and meticulously researched, this book will fascinate and enlighten readers of all generations.

Editorial Review

Review

Most readers probably haven't thought about the role of soccer, or any sport, in WWII. Given the horrors of the Holocaust, how could sports matter? But the game did have a part to play in soccer-mad Europe, as Simpson ably demonstrates, whether as propaganda, distraction, symbolic warfare, or acts of resistance. This thoughtful, carefully documented work offers both big-picture context and individual stories, including those of players on both sides of the Nazi terror and of some whose situations were more complicated. One particularly memorable chapter offers a more nuanced and accurate account of the legendary Match of Death played between a half-starved team of Ukrainians and a hand-picked Nazi team in Kiev. Much of the book focuses on the fact that soccer, almost unbelievably, was indeed played in concentration camps, serving as a means to 'reestablish order and restore some moral authority' to prisoners' profoundly limited choices. Simpson's focus in this book in no way trivializes the horrors of war and genocide; in fact, the humanizing capacity of the beautiful game makes them all the more real. (*Booklist*)

[S]cholars of an assortment of fields and disciplines will find *Soccer under the Swastika* relatable to their own studies. Its overarching and transnational coverage of numerous demographics offers background information to help Europeanists, Latin Americanists, and Americanists learn more about the evolution of soccer and its influence on post-1945 society, culture, and politics in their respective areas. Additionally, professors could use this book as an assigned reading in courses about twentieth century Europe in general, the Holocaust, World War II, and soccer history. The general public would also find it accessible due to Simpson's writing style and the unique perspective of viewing the Holocaust through soccer. (*Sport in American History*)

It's an untold history of the truly unbelievable role football played before and during the Holocaust. A story which encapsulates the Nazi purge of once incredibly Jewish clubs like Bayern Munich....and Dutch powers Ajax. And a love of football which just would not be vanquished, with leagues being organized in ghettos across Europe, including Terezín, the antechamber to Auschwitz. Games that were played even within concentration camps which is absolutely mind-blowing.... The book tells a slew of stories preserving the memory of hundreds of footballers who would otherwise be forgotten by history. And it's ultimately a testament to the joy football can bring and human's primal connection to the game. (Roger Bennett, journalist, author, and co-host of the Men in Blazers podcast and TV show)

Every lost life in *Soccer under the Swastika* deserves to be remembered. Soccer brings us closer to them—kicking a ball, sitting in the stands cheering, or listening to match commentaries on the radio, they are recognizable people like us, albeit in an unrecognizable time. The distance between them and us grows inexorably, their faces begin to fade, and a book like this helps to restore their humanity. (Simon Kuper, journalist with the Financial Times, award-winning author of *Football Against the Enemy*, and coauthor of New York Times bestseller *Soccernomics*)

Soccer under the Swastika by Kevin Simpson is a masterpiece of historical importance. As a former athlete who has competed internationally in general and as a Jewish soccer player in particular, I believe this is a book that must be read. This is a book that shows the power of our sport to both inspire and sustain hope during the darkest of times. It is a story of the "beautiful game" in a very different context. I encourage you to read it. (Shep Messing, former NY Cosmos and US Olympic soccer team goalkeeper and television analyst)

For me, it was a journey to my family's roots, who were lost in Auschwitz, and on the way, some celluloid memories of them, playing soccer before they perished. Finally, a book in English that can answer all the questions, reveal all the myths and tell the story of soccer under the Nazi boot in Europe during World War Two. (Oded Breda, filmmaker, program director of Beit Theresienstadt Memorial (Israel), and nephew of murdered Liga Terezín prisoner-player Pavel Breda)

Rarely are the spirits of a subject and a book about it as well matched as in Kevin Simpson's vivid, absorbing, and very well contextualized account of *Soccer under the Swastika*. Clearly a labor of love by an author who knows "the beautiful game" inside and out, the story told in this book will consistently engage and recurrently move and trouble its readers. (Peter Hayes, Theodore Zev Weiss Holocaust Educational Foundation Professor Emeritus, Northwestern University)

This is a book about the co-existence of the beautiful game and the worst evil. It is a heartbreakingly painful book, but it is also a work of history, which is why it needs to be read. (Stefan Szymanski, Stephen J. Galetti Professor of Sport Management, University of Michigan, and co-author of *Soccernomics*)

About the Author

Kevin E. Simpson is professor of psychology at John Brown University. He has published widely in sport psychology and in the teaching of the psychology of the Holocaust, among other topics. Simpson has received fellowships and grants from such institutions as the United States Holocaust Memorial Museum and the Holocaust Education Foundation of Northwestern University. Users Review

From reader reviews:

Shannon Batiste:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite reserve and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the e-book entitled *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust*. Try to face the book *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust* as your good friend. It means that it can be your friend when you sense alone and beside those of course make you smarter than ever. Yeah, it is very fortuned for you personally. The book makes you much more confidence because you can know every thing by the book. So, we should make new experience in addition to knowledge with this book.

Ira Knudsen:

Here thing why this *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust* are different and trustworthy to be yours. First of all examining a book is good but it depends in the content from it which is the content is as tasty as food or not. *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust* giving you information deeper including different ways, you can find any publication out there but there is no guide that similar with *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust*. It gives you thrill reading journey, its open up your personal eyes about the thing that will happen in the world which is maybe can be happened around you. You can easily bring everywhere like in park, café, or even in your means home by train. When you are having difficulties in bringing the imprinted book maybe the form of *Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust* in e-book can be your alternate.

Diana Elliott:

Precisely why? Because this Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret the idea inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content inside of easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Sandra Leggett:

A lot of guide has printed but it differs from the others. You can get it by net on social media. You can choose the very best book for you, science, comedy, novel, or whatever through searching from it. It is referred to as of book Soccer under the Swastika: Stories of Survival and Resistance during the Holocaust. You can include your knowledge by it. Without causing the printed book, it can add your knowledge and make an individual happier to read. It is most crucial that, you must aware about publication. It can bring you from one location to other place.
