The year is 1823, and the trappers of the Rocky Mountain Fur Company live a brutal frontier life. Hugh Glass is among the company's finest men, an experienced frontiersman and an expert tracker. But when a scouting mission puts him face-to-face with a grizzly bear, he is viciously mauled and not expected to survive. Two company men are dispatched to stay behind and tend to Glass before he dies. When the men abandon him instead, Glass is driven to survive by one desire: revenge. With shocking grit and determination, Glass sets out, crawling at first, across hundreds of miles of uncharted American frontier. Based on a true story, *The Revenant* is a remarkable tale of obsession, the human will stretched to its limits, and the lengths that one man will go to for retribution.

### Editorial Review

From Publishers Weekly

Based on a true incident of heroism in the history of the American West, this debut by a Washington, D.C., international trade attorney and former bureaucrat in the Clinton administration is an almost painfully gripping drama. A Philadelphia-born adventurer, frontiersman Hugh Glass goes to sea at age 16 and enjoys a charmed life, including several years under the flag of the pirate Jean Lafitte and almost a year as a prisoner of the Loup Pawnee Indians on the plains between the Platte and the Arkansas rivers. In 1822, at age 36, Glass escapes, finds his way to St. Louis and enters the employ of Capt. Andrew Henry, trapping along tributaries of the Missouri River. After surviving months of hardship and Indian attack, he falls victim to a grizzly bear. His throat nearly ripped out, scalp hanging loose and deep slashing wounds to his back, shoulder and thigh, Glass appears to be mortally wounded. Initially, Captain Henry refuses to abandon him and has him carried along the Grand River. Unfortunately, the terrain soon makes transporting Glass impossible. Even though his death seems certain, Henry details two men, a fugitive mercenary, John Fitzgerald, and young Jim Bridger (who lived to become a frontier hero) to stand watch and bury him. After several days, Fitzgerald sights hostile Indians. Taking Glass's rifle and tossing Bridger his knife, Fitzgerald flees with Bridger, leaving Glass. Enraged at being left alone and defenseless, Glass survives against all odds and embarks on a 3,000-mile-long vengeful pursuit of his ignominious betrayers. Told in simple expository language, this is a spellbinding tale of heroism and obsessive retribution.

“The makings of a western classic, Michael Punke's novel *The Revenant* provides muscle and sinew to the vengeful and epic tale of mountain man, Hugh Glass that even a sow Grizzly couldn't rend asunder.” ?*Craig Johnson, author of the Walt Longmire novels*

“A superb revenge story . . . Punke has added considerably to our understanding of human endurance and of the men who pushed west in the footsteps of Lewis and Clark--a significant feat.” ?*The Washington Post Book World*

“One of the great tales of the nineteenth-century West.” ?*The Salt Lake Tribune*

“A captivating tale of a singular individual . . . Authenticity is exactly what *The Revenant* provides, in abundance.” ?*The Denver Post*

“A gripping and hard-edged tale of survival, revenge, and, ultimately, redemption....Loosely based on true events, Glass's harrowing journey will keep readers engaged throughout. A must-read for fans of Westerns and frontier fiction and recommended for anyone interested in stories that test the limit of how much the human body and spirit can endure.” ?*Library Journal*
