## Thinking Government: Public Administration and Politics in Canada, Third Edition By David Johnson

Rooted in the intellectual tradition of Kenneth Kernaghan and David Siegel, *Thinking Government* renews a discussion of power relations between elected politicians and unelected public servants, while also incorporating the practical approach of studying public administration within the dynamics of federal politics. It asks how the ideological framework of this country shapes what Canadians, their political parties, and their governments think about policy actions and the responsibilities of public servants.

This edition is extensively revised and updated. New pedagogical features highlight key issues in public administration and help students connect theories to the reality of practice. Additional diagrams illustrate the mechanisms of government, and new chapter objectives and conclusions create a clear foundational and analytical account of public administration in Canada.

[www.thinkinggovernment.com](http://www.thinkinggovernment.com) is completely redesigned and now includes further case studies, study questions, quizzes, and downloadable extras.

### Editorial Review

#### Review

Students and practitioners of Canadian politics and public administration looking for a comprehensive, insightful, and well-written review of the forces, processes, and institutions shaping government operations and decision making should look no further than David Johnson's *Thinking Government*. (Donald J. Savoie, Canada Research Chair in Public Administration and Governance, Universite de Moncton)

David Johnson has once again written a superb text on federal public management in Canada—comprehensive, accessible, up-to-date, and engaging. Addressing historical and contemporary principles, trends, and challenges involved in public administration, the text is an invaluable resource for students, practitioners, and scholars alike. Suitable for introductory and upper-year courses, *Thinking Government* lives up to its name, encouraging readers to reflect on the past, present, and future of public management. (Monica Gattinger, University of Ottawa)

An excellent text for the study of Canadian public administration. David Johnson's writing melds the classical theories and historical evolution of Canadian public management in a crisp, clear fashion by citing significant case examples and articulating contemporary relationships between politicians and public bureaucrats. *Thinking Government* is a complete one-stop source for both online and traditional classroom studies of public administration. (Robert Heuton, University of Windsor)

#### About the Author
