Brasil no Contexto - 1987 - 2007, O (Portuguese Edition) By Jaime Pinsky

Este livro comemorativo dos vinte anos da Editora Contexto traça um panorama do Brasil. A escolha do período – de 1987 até hoje –, que coincide com o tempo de existência da Contexto, não foi acidental. Vinte anos dão perspectiva suficiente para uma análise do que vem acontecendo com o país. Será que os sonhos daqueles que vêm lutando pela democracia, pelo voto universal, por uma sociedade mais justa, pelo acesso de todos a uma educação pública de qualidade, pelo direito universal à cultura, a um atendimento médico decente, a um prato de comida balanceada, será que esses sonhos foram, estão sendo ou têm perspectivas de se realizarem? Para responder a essas questões, reunimos um time de primeira, um conjunto de autores da Editora Contexto que, a nosso convite, se dispuseram a escrever um balanço em suas especialidades. Jornalistas, sociólogos, historiadores, educadores e leitores em geral encontrarão nesta obra uma ferramenta bem-vinda para repensar o Brasil.
