**Cointelpro: The FBI's Secret War on Political Freedom** By Nelson Blackstock

Describes the decades-long covert counterintelligence program code-named Cointelpro directed against socialists and activists in the Black and anti-Vietnam War movements. The operations revealed in the documents cited in this book many of them photographically reproduced provide an unprecedented look at the methods used by the FBI, CIA, military intelligence, and other U.S. police agencies. Despite their authors intentions, these documents also record pieces of the history of efforts to build the communist movement in the United States.

Introduction by Noam Chomsky, graphic reproductions of FBI documents.

### **Editorial Review**

#### **Review**

Cointelpro is the first book to disclose, in indisputable and chilling words of FBI officials themselves, the two-pronged attack with which the FBI has attempted to discredit and destroy lawful and effective groups working for social justice. **Gloria Steinem**

Using taxpayers money, large numbers of federal officials have been and still are working overtime in an attempt to disrupt, confuse and thwart the black, labor, and socialist movements from achieving their goals of eliminating oppression and exploitation. That is the only conclusion to be drawn from reading the book. **The Black Scholar**

Background essays ... and facsimiles of nearly 100 FBI memos and other documents are worth the study of thoughtful readers. **Publishers Weekly --Publishers Weekly**

### **Users Review**

#### **From reader reviews:**

##### **Elvira Eberhardt:**

The book Cointelpro: The FBI's Secret War on Political Freedom gives you the sense of being enjoy for your spare time. You may use to make your capable far more increase.
