*"Tell me what you want, Allie. Tell me what you want me to do."
She was breathing hard, panting. "Touch me," she whispered.
"Where?" His voice was rough.
"Everywhere."*

Allie Campbell is determined to take care of her family, no matter the cost. But when her father loses their home to British tycoon Trevor Blake, Allie finds herself forced to plead for more time to pay off the loan...and if she has to use her own body as collateral, then so be it.

Trevor isn't moved by Allie's story. But when Allie impulsively offers to do anything to keep the house, he's intrigued enough to raise the stakes: for the next two months, she must cater to his every need, no matter how depraved. To his amazement, she agrees.

Allie has no intention of enjoying her time with the arrogant, domineering Brit, but it doesn't take long before he's got her aching for his touch—and he'll do whatever it takes to make her beg...
