Uncaging Wolves (Shifter Country Wolves Book 4) By Roxie Noir

Scarlet's been a little too tied up to meet her true mates. Actually, she's been getting reformed... in prison. Now that she's free, she's sworn that she'll leave her old life behind. She's got a steady place to live, a good job, and she's minding the rules of her parole.

Maybe she'd be more convincing if she didn't immediately sneak out of the house and head to The Den, a rough shifter bar. That's where she meets two smoking hot, totally irresistible wolves, lies about who she is, and ends the night with quite a bang.

Wolf shifter mates Gavin and Chase have been on the straight and narrow for years, though they weren't always so squeaky clean. On a night out at their favorite bar, they meet Sarah, the shifter woman of their dreams. They're held hostage by her gray eyes and dangerous spark, and they can't resist her, even when she disappears without saying goodbye. They have to find her. She's the one, their fated mate.

That is, until Sarah shows up at Gavin's office. Except Sarah's real name is Scarlet, and she's on parole - and that makes her Gavin's newest charge.

Can Chase and Gavin forgive Scarlet's lies - and forgive her for who she used to be? Or will Scarlet fade back into her old ways, losing her mates and her freedom in the bargain?

Uncaging Wolves is a **steamy MMF romance** about two mates, the woman they love... and the irresistible heat between the three of them! And of course, it's a standalone with a Happily Ever After.
