## Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) By Ajay Skaria

*Unconditional Equality* examines Mahatma Gandhi's critique of liberal ideas of freedom and equality and his own practice of a freedom and equality organized around religion. It reconceives satyagraha (passive resistance) as a politics that strives for the absolute equality of all beings. Liberal traditions usually affirm an abstract equality centered on some form of autonomy, the Kantian term for the everyday sovereignty that rational beings exercise by granting themselves universal law. But for Gandhi, such equality is an “equality of sword”—profoundly violent not only because it excludes those presumed to lack reason (such as animals or the colonized) but also because those included lose the power to love (which requires the surrender of autonomy or, more broadly, sovereignty).

Gandhi professes instead a politics organized around dharma, or religion. For him, there can be “no politics without religion.” This religion involves self-surrender, a freely offered surrender of autonomy and everyday sovereignty. For Gandhi, the “religion that stays in all religions” is satyagraha—the *agraha* (insistence) on or of *satya* (being or truth).

Ajay Skaria argues that, conceptually, satyagraha insists on equality without exception of all humans, animals, and things. This cannot be understood in terms of sovereignty: it must be an equality of the minor.

### Editorial Review

#### Review

"The field of Gandhi-studies has taken off in refreshing ways in the last decade or so. Ajay Skaria's book offers the most important recent historico-critical reading of—and commentary on—Gandhi's major text, *Hind Swaraj*, and some other related writings by the Mahatma. He cleaves closely to Gandhi's words, comparing Gujarati originals with their English translations while engaging, simultaneously, several noted commentators on Gandhi as well as liberal, communitarian, and deconstructive traditions of thought. Not everybody will agree with every conclusion of Skaria's, but no one interested in the Mahatma will be able to ignore this book."—Dipesh Chakrabarty, University of Chicago

"*Unconditional Equality* spells out nothing short of a total revaluation of Gandhi's political thought, systematic, comprehensive, and authoritative. Ajay Skaria brings a depth of understanding to the material that will be hard to duplicate. This is a *tour de force*."—Mrinalini Sinha, University of Michigan

"Skillfully deconstructing the Gujarati and English versions of Gandhi's writings, Skaria argues that Gandhi's most original philosophical contribution lies not so much in his political views but a new conception of religion that disavows all claims to sovereignty, even over oneself. It is surrender without subordination, compassion without limit; there is only the unconditional equality of the pure gift and the pure example. This is a brilliantly original book, provocative and controversial, that engages not only with Gandhi's admirers and critics but with contemporary debates in moral philosophy."—Partha Chatterjee, Columbia University

"Divided neatly into two parts, this book delves into a familiar arena of concern with a multitude of interesting details, culled from the original Gujarati texts."—*The Review of Politics*

"For someone with a deep philosophical understanding, who is well read in the theoretical literature, for whom Derrida clarifies rather than confuses, this book may well be worth the effort of engagement."—*Satyagraha Foundation for Nonviolence Studies*

#### About the Author

Ajay Skaria is professor of history at the University of Minnesota. He is the author of *Hybrid Histories: Forests, Frontiers, and Wildness in Western India* and coeditor of *Subaltern Studies XII: Muslims, Dalits, and the Fabrications of History*.

### Users Review

#### From reader reviews:

**Robert Qualls:**

This Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book will be information inside this reserve incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This particular Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) without we recognize teach the one who reading through it become critical in considering and analyzing. Don't possibly be worry Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) can bring whenever you are and not make your carrier space or bookshelves' turn into full because you can have it in the lovely laptop even cellphone. This Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) having good arrangement in word in addition to layout, so you will not sense uninterested in reading.

**Edna Brooks:**

Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) can be one of your starter books that are good idea. Most of us recommend that straight away because this e-book has good vocabulary that could increase your knowledge in vocabulary, easy to understand, bit entertaining but nevertheless delivering the information. The copy writer giving his/her effort to put every word into pleasure arrangement in writing Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) nevertheless doesn't forget the main place, giving the reader the hottest in addition to based confirm resource data that maybe you can be among it. This great information can certainly drawn you into brand new stage of crucial imagining.

**Gretchen Clark:**

This Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) is great publication for you because the content that is full of information for you who have always deal with world and still have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books) in your hand like finding the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world throughout ten or fifteen tiny right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt that?

**Carol Ramirez:**

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Unconditional Equality: Gandhi's Religion of Resistance (Cultural Critique Books)

can make you truly feel more interested to read.
