**Venomous (Alien Warrior Book 1)** By Penelope Fletcher

*"She is mine to protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way."~ Venomous One, formerly of Rök, enslaved gladiator*

Abducted from Earth and transported to a slave planet in an unknown galaxy, Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.

**Warning: violence, profanity and sexual situations with multiple partners.**
