**40 Days: Encountering Jesus Between the Resurrection and Ascension** By Alton L. Gansky

While many have written about the resurrection itself, few have delved into the forty days Jesus spent on Earth following that exit from the grave. With a passionate believer's heart and investigative flair, Alton Gansky looks closely at every recorded event that happened from the moment Christ left the tomb until he ascended into heaven.

Among the eighteen chapters are: "A Peek Inside the Tomb," "A Provocative Pondering of Angels," "Mountaintop Experience," "Breakfast by the Sea," and "The Big Exit.

### **Editorial Review**

From Publishers Weekly

Novelist and former pastor Gansky (*The Incumbent*) turns to nonfiction, taking readers back to the 40 days Jesus spent on earth after his resurrection. Too few books have treated this important topic; unfortunately, Gansky offers mostly apologetics, and clumsily done apologetics at that. He devotes the first 75 pages not to the doings of the resurrected Jesus, but to rehashing the garden of Gethsemane, the Cross and Mary at the tomb. His main aim seems to be to persuade readers that the events of the New Testament really happened, and to this end, he considers, and tidily dismisses, several "shaky" attempts to explain away the Resurrection. When Gansky does turn to his ostensible subject, he devotes too much space to summarizing, rather than probing the meaning of, familiar biblical stories. His prose is by turns melodramatic ("When Jesus died, her world died with him") and cutesy (as when he refers to the author of the third Gospel, whom Christian tradition describes as a physician, as "Dr. Luke"). One redeeming feature of the book is the attention Gansky gives women; his discussions of Mary Magdalene may capture the imagination of Dan Brown's more evangelical fans. But overall, this is a disappointment. (Feb.)

**Andrew Hulbert:**

Your reading sixth sense will not betray anyone, why because this 40 Days: Encountering Jesus Between the Resurrection and Ascension reserve written by well-known writer whose to say well how to make book which can be understand by anyone who read the book. Written with good manner for you, still dripping wet every ideas and writing skill only for eliminate your own personal hunger then you still question 40 Days: Encountering Jesus Between the Resurrection and Ascension as good book not only by the cover but also with the content. This is one reserve that can break don't assess book by its protect, so do you still needing an additional sixth sense to pick this particular!? Oh come on your looking at sixth sense already alerted you so why you have to listening to an additional sixth sense.

**Wanda Pence:**

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this 40 Days: Encountering Jesus Between the Resurrection and Ascension can make you sense more interested to read.
