Alexander McQueen: Blood Beneath the Skin By Andrew Wilson

The first definitive biography of the iconic, notoriously private British fashion designer Alexander McQueen explores the connections between his dark work and even darker life.

When forty-year-old Alexander McQueen committed suicide in February 2010, a shocked world mourned the loss. McQueen had risen from humble beginnings as the son of an East London taxi driver to scale the heights of fame, fortune, and glamour. He designed clothes for the world's most beautiful women and royalty, most famously the Duchess of Cambridge, who wore a McQueen dress on her wedding day. He created a multimillion-dollar luxury brand that became a favorite with celebrities including Kate Moss and Naomi Campbell.

But behind the confident facade and bad-boy image, lay a sensitive soul who struggled to survive in the ruthless world of fashion. As the pressures of work intensified, McQueen became increasingly dependent on the drugs that contributed to his tragic end. Meanwhile, in his private life, his failure to find lasting love in a string of boyfriends only added to his despair. And then there were the dark secrets that haunted his sleep...

A modern-day fairy tale infused with the darkness of a Greek tragedy, *Alexander McQueen* tells the complete sensational story, and includes never-before-seen photos. Those closest to the designer—his family, friends, and lovers—have spoken for the first time about the man they knew, a fragmented individual, a lost boy who battled to gain entry into a world that ultimately destroyed him.

“There’s blood beneath every layer of skin,” McQueen once said. Andrew Wilson’s biography, filled with groundbreaking material, dispels myths, corrects inaccuracies, and offers new insights into McQueen’s private life and the source of his creative genius.

From reader reviews:

Anna Vinci:

What do you about book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy individual? If you don't have spare time to do others business, it is make one feel bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this kind of Alexander McQueen: Blood Beneath the Skin to read.

Jeremy Turner:

A lot of people always spent their free time to vacation or maybe go to the outside with them household or their friend. Did you know? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity that is look different you can read any book. It is really fun to suit your needs. If you enjoy the book which you read you can spent the whole day to reading a reserve. The book Alexander McQueen: Blood Beneath the Skin it doesn't matter what good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In case you did not have enough space to develop this book you can buy the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too costly but this book provides high quality.

Howard Foster:

Playing with family within a park, coming to see the sea world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Alexander McQueen: Blood Beneath the Skin, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Rochelle Barrick:

Don't be worry should you be afraid that this book will filled the space in your house, you could have it in e-book technique, more simple and reachable. This particular Alexander McQueen: Blood Beneath the Skin can give you a lot of friends because by you checking out this one book you have point that they don't and make an individual more like an interesting person. This particular book can be one of one step for you to get

success. This reserve offer you information that might be your friend doesn't understand, by knowing more than additional make you to be great persons. So , why hesitate? Let me have Alexander McQueen: Blood Beneath the Skin.
