**SYNAPSIS:** Emmy Baxter wishes for a more interesting, exciting life. Until her world is turned upside down with danger, drama and thrown into a world she never thought existed with angels and demons. To help the Guardians save the world, she must stay away from the guy she loves. Can they fight fate, beat time and change their destiny, or sacrifice everything for love? The prophecy says I will fall in love with team leader and Angel, Marcus Cane. The prophecy also says that our love will cause his mission to fail and end the world. Whatever. This human is not worried. Why? Because I do not intend to fall in love with Marcus. The truth is I hate him. I hate his warm brown eyes with flecks of gold, his chiseled face and broad shoulders. I hate how over protective he is just because a few thousand demons are after me. In fact, I couldn't care less about Marcus or his perfect telekinetic girlfriend. And when I see him holding her, I don't die a little inside...
