John Adams and the American Revolution By Catherine Drinker Bowen

In this highly praised biography of the formative years of the America's second president, Mrs. Bowen portrays John Adams within the context of colonial America and examines the momentous events that forged a new nation and the character of our second president. This is an old-fashioned biography, beautifully written, passionately interested in its subject. Mrs. Bowen's primary aim is to convey the temper of mind and intellectual curiosity of a man who many consider the most brilliant individual to have ever held the high office of the presidency.

Editorial Review

Review

In these loving pages Adams comes to life once again...It is a great achievement. -- *Henry Steele Commager, New York Times Book Review*

About the Author

Catherine Drinker Bowen was one of the most prominent practitioners in the field of literary biography. Her two best-known works, JOHN ADAMS AND THE AMERICAN REVOLUTION and YANKEE FROM OLYMPUS, have been praised as faithful and sympathetic portraits of distinguished Americans.

Users Review

From reader reviews:

Donna Jost:

What do you about book? It is not important to you? Or just adding material when you need something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They need to answer that question since just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this kind of John Adams and the American Revolution to read.

Larry Chaffin:

Reading a publication tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write on their book. One of them is this John Adams and the American Revolution.

Kay Roberts:

The book untitled John Adams and the American Revolution contain a lot of information on that. The writer explains your girlfriend idea with easy method. The language is very clear and understandable all the people, so do not really worry, you can easy to read this. The book was compiled by famous author.
