Lace Up (Pretty Smart Girls Book 1) By Shae Ross

A new adult novel from Entangled's Embrace imprint...

Team Ryan

Ryan Rose and her fellow Spartans are finalists in a high-profile entrepreneurial competition. They're competing for life-changing money and for their futures. They have a solid plan to win. All they need to do is trounce the competition: rich frat boys from an archrival university. Easy, right?

Team Jett

Jett Trebuchet's first mistake was not realizing that Ryan and her friends were the competition. His second was expressing his unabashed confidence in his team's ability to win. After all, everyone knows the only thing MSU does better than U of M is produce beautiful, easy women...oh, and he almost forgot to say "dumb." And boy, does his team pay for *that* one.

Game On

As each side tries to game the other, something else seems to be getting in the way—*attraction*. Now Ryan and Jett must keep their teams from getting distracted by the opposite sex...and each other. All is not fair in love and war when it comes to winning this game.
