### **Once Upon Another Time: An Anthology of Tales (Once Upon a Time-Travel Book 4) By Jill Myles**

Four erotic stories of love across time...

**Mirrorlight** – When Cora Grames is abandoned in England at a haunted castle, she feels very sorry for herself...until she sees the sexy man in the mirror that only appears to her. And when she finds out that she can touch him, he suddenly becomes more than a fantasy. But how can she fight for a man that doesn't exist in her time?

**Shimmerlight** – Chloe Sorenson's just started a brand new job at Ms. Muffet's art gallery. However, no one told her that the latest auction piece – a sculpture of a handsome Roman soldier – comes to life. Think it's hard to explain to your boss why you're fondling a statue? Try explaining to the statue why you're holding his, uh, fig leaf.

**Darklight** – When Rose Hawthorne accepts the task that her fairy godmother sets upon her, it seems straightforward enough: steal a flower from the underworld. Now, she's been kidnapped by an all-too seductive dark god who wants to teach her all the exquisite ways of passion...and Rose wants more than anything to be his willing pupil.

**Sunlight** - There's a few problems with the new 'Rapunzel' on the block. For one, her hair is enchanted to grow at the slightest hint of sunlight. And her handsome prince? Not so handsome. But he's accompanied by a big, burly Scotsman who makes a girl's heart flutter wildly. With Callum's help, Rapunzel just might lick this curse thing. Once she stops licking Callum's muscles, of course...

This anthology features the four novellas in the Time Travel series in one lower-priced package! Previously published individually as Mirrorlight, Shimmerlight, Darklight, and Sunlight.

Please take a moment to chime in as to what you thought about this book! It's not for me - it's for other readers. Your opinion can help others decide whether or not they want to read it, too.

From the Author

This is a stand alone steamy romance in the Once Upon a Time-Travel series! For more Once Upon a Time-Travel stories, check out:

THE MERMAID'S KNIGHT

THE BEAST'S BRIDE

THE SNOW QUEEN'S CAPTIVE

If you're wondering where MIRRORLIGHT, SHIMMERLIGHT, SUNLIGHT and DARKLIGHT went? I combined them all into one edition. As a reader, I felt like those stories were too short to be priced 'just right' so I combined everything to give you more bang for your buck. Hope you enjoy!

About the Author

Jill Myles has been an incurable romantic since childhood. She reads all the 'naughty parts' of books first, looks for a dirty joke in everything, and thinks to this day that the "Little House on the Prairie" books should have been steamier. After devouring hundreds of paperback romances, mythology books, and archaeological tomes, she decided to write books of her own - stories with a wild adventure, sharp banter, and lots of super-sexy situations. She prefers her heroes alpha and half-dressed, her heroines witty and strong, and she loves nothing more than watching them overcome adversity to fall into bed together.
