### The Love Shack By Jane Costello

**Life's** great when you're 29 years old with a gorgeous girlfriend and fulfilling job. Until you have to move back in with your mum . . .

Dan and Gemma have found their dream first home, but the asking price is the stuff of nightmares. The only way they'll ever save enough for the deposit is by moving in, rent-free, with Dan's mum.

It's a desperate solution, but it's only for six months. And Gemma's determined to make it work, no matter how bad things get.

But between Dan's mum's kitchen karaoke, her constant innuendos, irrepressible argumentative streak and - worst of all - her ham and pineapple curries, life back at home would test the patience of two saints. Which Dan and Gemma most definitely are not.

Then, as they're trying to convince themselves it will all be worth it, Gemma's past comes back to haunt her. And suddenly the foundations of their entire relationship are shaken to their core....
